

# **GREEN CORRECTIONS VIDEO CONTEST 2014**

## **VIDEO CONSENT AND RELEASE FORM**

### **Instructions for Video Submitter**

Any individual who appears in your Video presentation must complete and sign the Form accompanying these instructions. If a minor appears in the Video, the minor's parent/legal guardian must also sign this Form. You are responsible for printing this Form, ensuring completion by hand, securing the appropriate signatures and returning all scanned forms in a single file (ZIP, PDF, or doc). The completed Form must be uploaded as part of your Submission. Failure to include a signed, completed form for each individual appearing in your Video presentation with your Submission will automatically disqualify your entry.

### **Instructions for Individuals Appearing in a Video Presentation**

I, the undersigned, voluntarily chose to grant the contestant and/or their agents and assigns (collectively, "the Producer"), a perpetual, irrevocable, royalty-free nonexclusive worldwide license to use my personality, including but not limited to my personal appearance, likeness and/or name (collectively, "personal information"), and/or creative material in which I hold an exclusive right, including but not limited to any written material, performance, display, music, photographs and/or illustrations (collectively, "creative material") in connection with an original video presentation and any activities associated with its entrance or subsequent selection as a winner in the Green Corrections Video Contest 2014 sponsored by the U.S. Department of Justice, National Institute of Corrections and Family Health International (FHI 360) (collectively, "the Hosts"). This use includes, but is not limited to any activities subsequent to the Contest that are sponsored by the Hosts, either directly or indirectly, whether individually or collectively with other organizations and/or government agencies committed to the education of green practices. This use includes, but is not limited to, presentations, exhibitions, audio or video recordings, publications, bulletins, websites, and illustrations, including reprints and reproductions. This personal information and/or creative material can be used in any promotional, advocacy or educational materials, and can be produced and disseminated via any medium now known or later developed, including print and electronic media and the Internet (collectively, "Media").

I acknowledge that I have not received, and will not receive any compensation for the use of my personal information and/or creative materials and understand that these materials will not be sold or used for commercial purposes. Nothing herein will constitute any obligation on the Producer or the Hosts to use or not use any of my personal information and/or creative materials.

***I hereby give my consent to*** the Producer and to the Hosts to use my personal information and/or creative materials as defined above, in any and all Media, as defined above, to promote the use of green practices and the corrections field. I hereby waive any right to inspect or approve any use of my personal information and/or creative materials, including any edits, summaries or adaptations thereof that may be so used.

***I hereby release, discharge, and hold harmless*** the Producer and the Hosts from any and all claims, under the laws of the United States, which arise from, or are in any way connected with the use of my personal information and/or creative material as defined above.
