

# GREEN CORRECTIONS

## *challenge*

**Your ideas can make a difference.** Thousands of people trying to make a fresh start rely on green programs for learning job skills, and organizations rely on green programs to ensure their facilities run efficiently. Make a video about an innovative idea for green corrections and you could have the opportunity to share your idea with others in a webinar hosted by the National Institute of Corrections.

*We're looking for the most innovative programs across the nation in these categories:*

Correctional  
Facilities

Education  
and Training

Reentry  
Programs

New Green  
Corrections  
Concepts
